1 | ABOUT US

THE PURPOSE

The purpose of Ehlanzeni TVET College is to create a quality teaching and learning environment in which students can acquire the necessary knowledge, practical skills and applied vocational and occupational competence as well as the necessary attributes required for employment, self-employment, entry to a particular vocation, occupation or trade or to a higher education institute in order to respond to the human resource, economic and development needs of South Africa.

VISION

A world-class college providing relevant quality vocational education and training.

MISSION

Committed to create a quality teaching and learning environment that meets the expectations of our clients and the world of work

OUR VALUES

Our values are in our DNA underpinning who we are and serve to direct our thinking, our decision-making and the way we conduct our business.

Responsible Stewardship

Prudent protection and management of the resources entrusted to us in a manner that ensures accountability.

INNOVATION AND EXCELLENT SERVICE

We encourage the highest quality of instruction within the classroom and service throughout the campus community

INTEGRITY

We embrace moral values of truthfulness, trust and the treatment of others with respect.

COLLABORATIVE AND DEMOCRATIC DECISION MAKING

We value informed decisions made by people closest to the issue by encouraging open communication and teamwork.

UBUNTU

We care for each other and advance the Batho-Pele principles.

2 | CLASS ATTENDANCE

- Students are expected to attend 100% of their classes however they will be allowed to write the examination for every subject for which they have attained a minimum of 80% class attendance (including authorized absence and sickness) per subject.
- Students must be punctual.
- Students who arrive five minutes late after the start of the period will be regarded as late (but will be allowed in class) and indicated on the register.
- Students may not be denied access to class unless they cause/display disruptive behaviour. In the case where the student is late three or more consecutive days per subject, such a student should be marked absent on the fourth day by the subject lecturer.
- Students may not leave the venue during periods/lecturing times unless necessary permission has been obtained from lecturers.
- Cellular phones must be switched off at all times in lecture rooms, examination rooms, assemblies and during meetings.
- Regular absenteeism and late coming will be followed up by contacting parents/guardians/employers/sponsors by the relevant faculties/departments for disciplinary action.
- All personal appointments should be made after lecturing hours, over weekends or during vacations. Absence due to such appointments will be regarded as non-attendance, even if a lecturer was notified by the student.
- Class attendance, academic/programme progress and disciplinary warning(s) will affect student's testimonials.
- A special certificate will be awarded for 100% attendance.
- Attendance will be used as one of the criteria for work placement of students or learnerships.
- Attendance will be used as a criterion for student bursary allocation.
- If a student was absent for three or more consecutive lecturing days due to death of a family member, evidence must be provided on the day he/she resumes classes. If absenteeism was due to illness, a medical certificate must be submitted immediately on the day he/she returns to classes.
- If a test/internal examination/assessment was written and a medical note or evidence of death of a family member was not submitted, a zero (0) mark will be entered on the mark sheet.
- Pregnant students: A medical certificate, stating the due date of birth must be submitted as soon as the pregnancy was confirmed.
- Students should not be allowed to register for the next trimester/semester/year if their average class attendance for the previous trimester/semester/year is less than 80%. The dates where evidence e.g. a doctor's note or a copy of a death certificate of a close family member which has been submitted must be taken into account, these absences should then not count.
- The student must take maternity leave for the last four weeks of the pregnancy unless a medical certificate is submitted that allows the student to continue classes.
- Clothing should be neat, acceptable in a societal and corporate environment and students' bags free of provocative or offensive statements, slogans or signs.

3 | DEREGISTRATION

Must be done in writing, during the registration period (as advertised), failing to do this, students will be liable for the full cost of tuition.

4 | EXAMINATIONS

Only students who have registered for full-time, part-time and exams only programmes and who have complied with the requirements will be allowed to register for examinations.

In order to facilitate access to TVET college programmes, DHET has set aside a budget for bursaries to students who enroll for Report 191 courses, NC(V) and PLP programmes. The National Student Financial Aid Scheme administers the bursaries on behalf of the DHET.

The following students are eligible to apply:

- ✓ If you are a new prospective student who has been provisionally accepted you must apply for a bursary at the campus.
- ✓ Only South African citizens.
- ✓ Students who are financially needy.
- ✓ Students who perform academically.
- ✓ Must not be enrolling for a qualification equivalent to previous learning that was state-funded.
- ✓ NC(V) level 2/3 and Report 191 (NATED) courses students who were awarded bursaries in 2020 and have academically progressed to the next level in 2021.
- ✓ Students who were awarded bursaries for NC(V) Levels 2/3 or Report 191 N1 – N6 in 2019 but have not academically progressed to the next level in 2020, will not be eligible for bursaries in 2021.

To apply for a bursary, the following documents must accompany the bursary application form:

- ✓ Three certified copies of the students ID.
- ✓ Two certified copies of parents/guardians' ID.
- ✓ Two certified copies of IDs of other members in the household.
- ✓ The latest original or certified copies of the parents/guardians' payslips.
- ✓ Sworn affidavits from parents/guardians in the event that they are unemployed.
- ✓ Proof of residence.
- ✓ Completed and signed Consent Form.

DHET Bursaries are not guaranteed, there are procedures in place for the administration and awarding of these bursaries. The application process is electronic, students can apply online to NSFAS.

6

NATIONAL QUALIFICATIONS FRAMEWORK (NQF)

NQF	GET/FET (School)	Higher Education (TVET College) Report 191 (NATED) & NCV Courses	Higher Education (University)
NQF 10			Doctorate
NQF 9			Masters' Degree
NQF 8			Honours' Degree & Post Graduate Diploma
NQF 7			Bachelors' Degree
NQF 6		National N Diploma (TVET Colleges = N6 + 2 years practical for Engineering and 18 months practical for Business Studies)	Diploma
NQF 5		N6 Certificate (National Certificate)	Higher Certificate
NQF 4	Grade 12	N3 (N1 – N3 is not an equivalent to Grade 12 due to lack of fundamental subjects, but students can progress to N4 – N6. Cannot access University with N3 Certificate (NCV)	
NQF 3	Certificate Grade 11	Certificate (NCV)	
NQF 2	Certificate Grade 10	Certificate (NCV)	
NQF 1	Certificate of Primary Education Grade 9		

WHAT IS THE NATIONAL CERTIFICATE VOCATIONAL NC(V) QUALIFICATION?

The NC(V) is a National Certificate Vocational programme at level 2 – 4 of the National Qualifications Framework (NQF) and is offered by all public TVET Colleges countrywide. The qualification is intended to directly address the priority skills demands of the modern South African economy.

The NC(V) Qualification is designed to provide both theory and practice, thus granting students an opportunity to gain work experience during their period of study. Practical experience may be gained in either a simulated or real workshop environment.

WHICH NC(V) PROGRAMMES ARE OFFERED BY EHLANZENI TVET COLLEGE?

ENGINEERING STUDIES - RELATED & ITC FIELD PROGRAMMES

- Civil Engineering and Building Construction
- Electrical Infrastructure Construction
- Engineering and Related Design (Fitting and Turning or Fabrication or Automotive Repair and Maintenance, Welding)
- Information Technology and Computer Science

BUSINESS STUDIES - RELATED FIELD PROGRAMMES

- Finance, Economics and Accounting
- Management
- Office Administration

SERVICES - RELATED FIELD PROGRAMMES

- Hospitality (Accommodation, Events & Catering)
- Primary Agriculture
- Tourism

CURRICULUM

Each NC(V) Qualification has a total of 7 Subjects per NQF Level. Three of these subjects are called Fundamental Subjects, i.e they are common for all learning fields and are compulsory. The Fundamental Subjects are:

- Life Orientation
- English 1st Additional Language
- Mathematics (Engineering & ITC Fields) or Mathematical Literacy (Business & Services fields)

UMALUSI has officially communicated to the DHET its recognition of credit transfer between the NSC and NC(V) in the following subjects:

- English Home Language or FAL (passed at 40% and above)
- Mathematics (passed at 30% and above)
- Mathematical Literacy (passed at 30% and above)
- Physical Science (passed at 50% and above)

It is important to note that this concession applies only to the National Senior Certificate (NSC) and NOT to its predecessor, the Senior Certificate (SC). The other four subjects per NQF level are called Vocational Subjects and these are aimed at preparing students for the world of work within the field of their choice. A specialization vocational subject (Elective) forms part of the 4 Vocational Subjects in some qualifications, allowing a student to specialize in a specific sub-field.

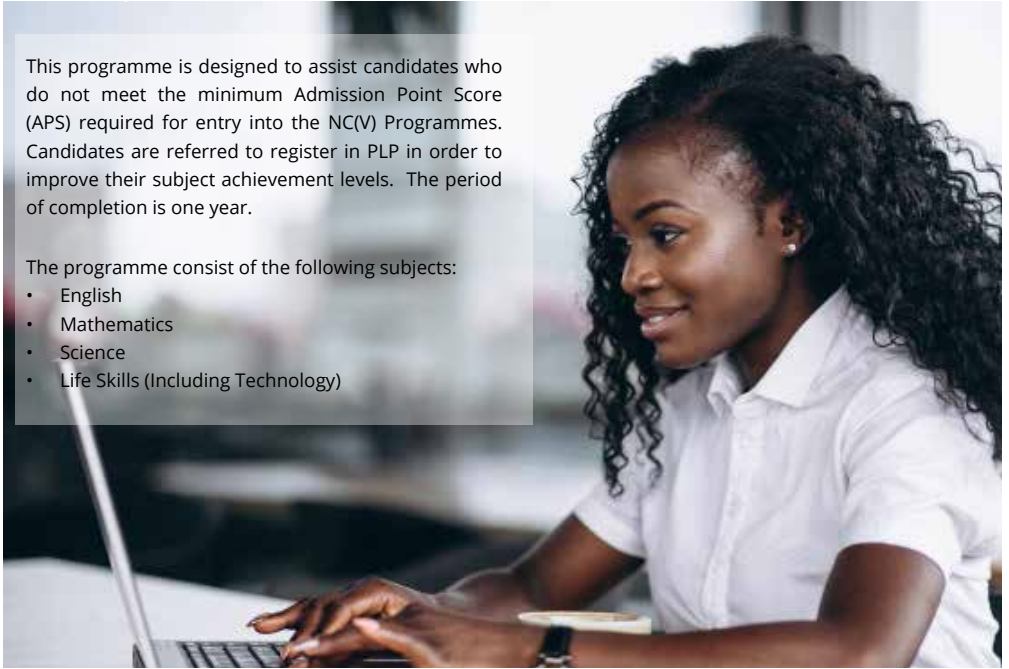

8

PRE-VOCATIONAL LEARNING PROGRAMME (PLP)

This programme is designed to assist candidates who do not meet the minimum Admission Point Score (APS) required for entry into the NC(V) Programmes. Candidates are referred to register in PLP in order to improve their subject achievement levels. The period of completion is one year.

The programme consist of the following subjects:

- English
- Mathematics
- Science
- Life Skills (Including Technology)

9

CAREER PATHING

10 | ENGINEERING STUDIES - RELATED AND ITC FIELD PROGRAMMES

ADMISSION REQUIREMENTS

- Minimum Grade 9 year-end report (must have passed Mathematics)
- An NQF Level 1 qualification
- All entry applicants must adhere to placement assessment criteria before admission

The College reserves the rights to:

- Only offer programmes that are justified by student number.
- Change the location/venue of the programme offering.

	Level 2	Level 3	Level 4	Possible Career Opportunities
FUNDAMENTAL SUBJECTS	The following subjects are compulsory for each level and applicable in all NC(V) Business-related Programmes: a. English First Additional Language b. Life orientation c. Mathematics

13.3 | NATIONAL N DIPLOMA BUSINESS STUDIES (N4 – N6)

N4 – N6 Programmes (Alternative Post Matric Programme) in Engineering, Business and Utility studies. Students must comply with the required number of working hours in the relevant field of study to obtain a National Diploma.

For Business Studies / Semester programmes; 18 Months (2 000 working hours)

For Engineering Studies / Trimester programmes; 24 Months (2 670 working hours)

NC(V) AND REPORT 191 (NATED) PROGRAMMES

Programmes are offered between 07:30 and 19:00

The Occupational Programmes offered at Ehlanzeni TVET College include Learnerships, Artisan Development Programmes and Registered Skills Programmes. The focus of these programmes is geared towards preparing students for a specific trade.

A Learnership is based on a legally binding agreement between an employer, a student and a training provider.

Learnerships offered by the College combine theory at the College or Training Centre with relevant practice on-the-job. It is designed to ensure the quality of the training and to protect the interest of each individual party in order to become qualified. Students must be assessed against unit standards registered by SAQA.

Skills programmes are unit-standards-based programmes that are demand-driven as determined by community needs. They are unit standards programmes extracted from a formal full qualification registered by SAQA which the College offers partnership with the relevant SETA or QCTO.

Ehlanzeni TVET College

OUR VISION

*A world-class college
providing relevant quality
vocational education
and training.*

...striving towards excellence

TOGETHER WE CAN BEAT COVID-19

Basic protective measures against the COVID-19 coronavirus

PEOPLE CAN HELP PROTECT THEMSELVES

- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Wash your hands often with soap and water for at least 20 seconds. Use an alcohol-based hand sanitizer that contains at least 60% alcohol if soap and water are not available.
- Clean frequently touched surfaces & objects

**ALWAYS WEAR A
FACE MASK IN PUBLIC**

**FREQUENTLY WASH
YOUR HANDS WITH
SOAP**

**AVOID CLOSE CONTACT
MAINTAIN SOCIAL
DISTANCING**

**AVOID TOUCHING FACE
WITH UNWASHED
HANDS**
